SURVEY: SUB-SAHARAN AFRICA

Sources and acknowledgements

Jan 15th 2004
From The Economist print edition

[Printable page](#)
 [E-mail this](#)

Among the most useful written sources for this survey were four World Bank studies: “[Doing Business in 2004](#)”, “[Land Policies for Growth and Poverty Reduction](#)”, “[Breaking the Conflict Trap](#)”, and “[Can Africa Claim the 21st Century?](#)”. The International Crisis Group’s [regular reports](#) on instability in Zimbabwe, Congo, Côte d’Ivoire and other hot spots were invaluable, as were the updates on the AIDS epidemic from [UNAIDS](#), and the South African Institute of Race Relations’ excellent “[South Africa Survey](#)”.

The author relied on a number of occasional papers, including “[South Africa’s Challenges in Africa](#)” by Moeletsi Mbeki (South African Institute of International Affairs), “[The New Approach to Foreign Aid](#)” by Ian Vásquez (Cato Institute), “[The Long-Run Economic Costs of AIDS: Theory and an Application to South Africa](#)” by Clive Bell, Shantayanan Devarajan and Hans Gersbach and “[Fiscal Sustainability in African HIPC Countries: a Policy Dilemma?](#)”, by Annalisa Fedelino and Alina Kudina (IMF).

Several books helped, including “[The Criminalisation of the State in Africa](#)” by Jean-François Bayart, Stephen Ellis and Béatrice Hibou, “[Africa Works](#)” by Patrick Chabal and Jean-Pascal Daloz, “[Africa in Chaos](#)” by George Ayittey, and “[In the Footsteps of Mr Kurtz](#)” by Michela Wrong.

Besides those named in the text, the author would also like to thank the following people for their thoughts and comments: James Astill, Roger Baxter, Gilbert Bisimwa, Shantha Bloemen, Mutuga Bobos, Arthur Chaskalson, Patrick Craven, Didier Defailly, Etienne Erny, Heidi Holland, Anthea Jeffrey, Hilaire Kahasha, John Kane-Berman, Ted Leggett, Tony Leon, Leon Louw, Mbilizi Lukanga, Callisto Madavo, Marian Matshikiza, Likhapha Mbatha, Shadi Moalusi, Peter Piot, Michael Spicer, John Robertson, Felicien Rukeratabaro, Jean-Moreau Tubibu, Iden Wetherell, John Worswick, Abel Zimunya and several others who preferred to remain nameless, sadly including most of those the author spoke to in Zimbabwe.

IN THIS SURVEY
